## Scout-O-Rama 2018!

Scout-O-Rama 2018, is a Scouting skills show open to the public, to learn more about the Cub Scouts, Boy Scouts and Venturing program for older teens.

Presented by the Pacific Harbors Council of the Boy Scouts of America, Scout-O-Rama is designed to take the "Scouting Story" to the youth and families in our communities who are not yet a part of the Scouting experience. The BSA is the best-kept 108 year old secret in America. This event is an opportunity to change that.

Scout-O-Rama features family friendly activities, informational displays and hands-on opportunities to demonstrate Scouting's value to today's active families.
